ORDER:

In the reference 1st read above, guidelines were issued regarding organization of Local Cadres, allotment of personnel of the various Departments to the various local cadres, method of direct recruitment to the various categories, inter-local cadre transfers etc., of the employees holding those posts.

2. In the references 2nd to 7th read above, Government in accordance with the provisions of the Presidential Order, local cadres of various categories of posts, the Government have established Regional Director of Medical and Health Services after implementation of organization of local cadre in Public employees Act. Six Regional Directors were established in the erstwhile State of Andhra Pradesh for decentralization of powers mainly to supervise the service matters of Zonal cadre employees. After formation of Telangana State, the State is left with only two zones i.e., Zone-V Warangal and Zone-VI Hyderabad which deal with the promotions, transfers, automatic advancements, regularization and declaration of probation, seniority and disciplinary proceedings etc., of zonal cadre employees.

3. In the reference 7th read above, the Director of Public Health & Family Welfare, Telangana, Hyderabad has submitted that continuously a lot of allegations have come to the notice of the Government on the functioning of the Offices of Regional Directors of Warangal and Hyderabad with regard to the administrative aspects which gave to so many litigations in the Tribunal. It is felt necessary to re-organise the functioning of the offices of the Regional Directorates in the Telangana State for smooth and efficient administration without any scope of these allegations/litigations and for abolishing and merging of the R.D. Offices to the Directorate of Public Health & Family Welfare under the administrative control of Director of Health.

4. The Director of Public Health & Family Welfare, Telangana, Hyderabad also stated that, if the two Regional Directors are integrated with the Director of Public Health, it will lead to effective administration of local cadres. The promotions for both zonal cadres can be taken up at a time, thereby, reducing many legal complications. Further, transparency can be brought up in recruitments and promotions, as the recruitments will be taken up by a separate recruitment cell/body. The legal cases can also be dealt effectively as the Directorate has a separate legal cell, which can be further strengthened.

5. Government after careful examination of the matter hereby order the following;

- i) Both the Regional Directors of Medical & Health Services Offices (RDM&HS), Warangal (Zone-V) and Hyderabad(Zone-VI) are abolished and merged with the Office of the Director of Public Health & Family Welfare, Telangana, Hyderabad.
